

Join the Presbytery of Baltimore Guatemala Partnership Spring Trip March 9-15, 2027

Join us in Antigua, Guatemala City, and several other locations for our Intercultural Encounters Program, which designs and facilitates experiences of encounter, reflection, dialogue, and mutual service between people of the United States and Canada with Central American communities in search of a more just, tolerant and equitable world.

Immersion Seminars: Groups come for an intensive study on a certain topic such as culture, environment, religion and spirituality, or gender. During the time in Central America, the participants have the opportunity to talk with local specialists who provide serious and up-to-date information to the group about the local context. This way the groups have a framework to facilitate their discussions and reflections.

Partnership Strengthening: For groups that have established partnership and solidarity relationships with local groups and/or churches and are interested in learning about the realities in which their partners live day to day.

2027 Immersion Seminar Topics: Gender, Culture, and Sociopolitical Context
