

**A/V BOOTH Operator
Position Description
for Light Street Presbyterian Church
809 Light Street, Baltimore, MD 21230**

Light Street Presbyterian Church is seeking an operator for our A/V booth on Sunday mornings. This is a Sunday-only position, although additional days during the month may also be requested on an as-needed basis for events held at the church during the week (please see below for more information). Our audio and video setup is fairly streamlined and designed to be operated by one person in our booth.

Position Duties:

The duties of the A/V Booth operator are:

- Arrive 30 minutes before church service begins
- Operate a digital Yamaha mixer in a medium-sized room
- Run sound during the church service
- Run the PTZ video system during the church service from the booth computer
- Connect to the Zoom feed for the service and troubleshoot any issues that may arise
- Record the service for Youtube / Facebook and post it online afterwards
- Troubleshoot any issues encountered before, during, or after the service
- Keep booth equipment and needed computer programs up to date and functioning appropriately
- Communicate effectively with the Pastor and / or other church liaison regarding needs or issues

Qualifications:

Applicants should be familiar with digital mixers, and have a basic experience with video systems as well. Applicants should have some experience running live audio either in a concert, church, or similar setting. Applicants without live video experience are also welcome to apply. Successful applicants will be trained by our staff and volunteers to run the system.

Position Details:

- Approximately 2 hours / week with a maximum of 200 hours / year
- Wage Range: \$20-\$25 per hour

More Information:

- Approximate working time from 10:30am - 12:30pm each Sunday (30 minutes before service, and approximately 30 minutes after)
- The successful candidate would be asked to stay a bit longer on Sundays when special meetings are held that need Zoom / AV Booth assistance (approximately one extra hour per occasion).
- Applicants may also be asked to cover, or be given preference to cover special events (e.g. the monthly Federal Hill Neighborhood Association meeting [approximately 2-3 hours], weddings, concerts, etc).

About Light Street Church:

Located near Baltimore's Inner Harbor in Historic Federal Hill, Light Street Presbyterian Church (USA) is an LGBTQ+ affirming Christian community, committed to justice, peace, environmental sustainability, and passionate about our local and international mission.
