

## **Bridge Pastor**

Second Presbyterian Church, a vibrant PCUSA congregation in northern Baltimore City, is seeking a part-time or a full-time bridge pastor upon the retirement of our interim pastor, the Rev. Dr. Randall Clayton in March 2024.

Under the leadership of Rev. Clayton, the church has completed most of its interim tasks, and the PNC's search for an installed pastor is well underway. The church seeks someone who will help maintain the momentum and success of the last two years by providing pastoral and administrative support until a new pastor is installed.

This is a 20-40 hours per week position balanced by the needs of the candidate and the congregation and staff. The typical worship schedule is two services on Sunday at 8:30 AM and 10:30 AM from September through May and a single service at 10:00 AM during the summer. Average worship attendance is 160, which includes those who attend services in person and online.

In addition to preaching, the bridge pastor would serve as moderator to session and provide some administrative leadership and support.
