**Updates**

- ❖ This Clerks' Manual was first published in July 2010;
- ❖ Updated in July 2011 to use references and quotes from the 2011-2013 Book of Order, to include a section on electronic meetings, to add a section on the Annual Review of records, and to reflect the new statistical report forms.
- ❖ Updated in March 2013 to replace the section on the Annual Statistical Report with a general description and hints, rather than a replication of the instruction booklet. Also noted that the Marriage Register is now optional.
- ❖ Updated February 2015 to replace the Checklist for the Annual Review of Minutes with a more current version.

## ❖ Introduction

Welcome to the office of Clerk of Session! You have joined a unique and important group of people in the Presbyterian Church (U. S. A.). The Book Of Order (G-3.0104) mandates that each governing body of the PCUSA have a moderator and a clerk. Clerks of Presbyteries, Synods, and the General Assembly are called Stated Clerks. Those serving Sessions are called Clerks of Session.

As clerk, you will record a good deal of history of your church as you write the session minutes. Future generations will learn what your church did to further Christ's mission in the world by reading the minutes you write. It follows then, that it is important that you keep accurate records of all the proceedings in the session meetings and in congregational meetings.

This manual has been prepared to provide Clerks of Session with information and examples to assist them in their work and to insure that they have easily accessible information about what must be included in the session record books.

The Committee on Administration's Clerk's Manual Task Force has prepared this manual. The task force is made up of several moderators, clerks of session, members of the Committee on Administration, and the Stated Clerk. The task force began by obtaining copies of other Presbyteries Clerk of Session Manuals as well as the existing Baltimore Presbytery Clerk's Manual.

We would like to give special thanks to John Bolt, Stated Clerk of West Virginia. We decided to begin with the material included by using the Clerk's Manual of the Presbytery of West Virginia. We also would like to give thanks to the writers of the following manuals: Grace Presbytery, National Capital and several others.

If you have any questions, or need assistance, please contact the Stated Clerk.

## Roles of the Clerk of Session

The primary role of the clerk of session is to maintain and preserve the records of the church, including the minutes of session and congregational meetings and the rolls and registers. Clerks may assist the moderator in docket preparation or serve as a sounding board for the moderator. An important role of the clerk is to assist the pastor by keeping the pastor informed and providing information to the pastor as requested. Other assistance will be determined by the relationship between the pastor and the clerk and by the needs of the pastor.

## Responsibilities at a Glance

1. Keep a full and accurate record of the proceedings of the session (G-3.0204).
2. Keep the roll of session membership and attendance (G-3.0104).
3. Arrange for the careful preservation of session records (G-3.0104), making recommendation to the session for the permanent safekeeping of its records (G-3.0107).
4. Furnish extracts from the minutes when required by another governing body of the church (G-3.0104).
5. Maintain and preserve rolls and registers required of session (G-3.0204a). (See *Rolls and Registers*, page 11.)
6. Be responsible for the preservation of the records of the Board of Deacons and the Board of Trustees (G-3.0204).
7. Be familiar with the responsibilities of the session as described in the *Book of Order* (G-3.0201).
8. Notify the session or congregation of special meetings, describing accurately the business that will be transacted. [Notification of annual and special meetings of the congregation shall be given on two successive Sundays (G-1.0501 and G-1.0502)].
9. Be sure that the annual statistical form (see Pages 18-21) requested by the General Assembly is completed accurately and reported to the PCUSA by the deadline noted. Also, be sure to return other paperwork requested by the stated clerk by the deadline noted.
10. Submit the session minute book to the Stated Clerk of the Presbytery for annual review when requested (*Manual of the Presbytery of Baltimore* 4.6.11, 26.5). (Appendix C has a checklist as an aid for the review of Session minutes.)

11. Serve as secretary for meetings of the congregation (G-1.0507), seeing that the minutes are received by session and are inscribed in the permanent session minute book. (See Congregational Meetings, page 10.)
12. Bring all official correspondence to the attention of the pastor/moderator and the session, and respond as directed by the session.
13. Keep a list of unfinished business, including all matters referred to a committee or a staff member for later report to session, and remind the appropriate persons(s) if not reported expeditiously.
14. Be prepared to respond to questions of parliamentary procedure in meetings if requested. (Meetings shall be conducted in accordance with the most recent edition of *Robert's Rules of Order*, except in those cases where the *Book of Order* provides otherwise (G-3.0105). Copies of *Robert's Rules of Order* and the latest *Book of Order* should be available at meetings.)
15. Receive and submit communications from/to other governing bodies.
16. Notify the Stated Clerk of the Presbytery of changes in the membership of session.
17. Assist the moderator in preparing the agenda for session meetings, as requested.
18. Assist the pastor/moderator in church officer training when requested.
19. In consultation with the pastor/moderator, prepare a statement of highlights of session actions and reports following the meeting for information for the congregation (may be included in the next issue of the congregation's newsletter). Note: Confidential matters should not be included.
20. May moderate the congregational meeting, if requested, during the pastor's salary review. If this occurs, a temporary clerk should be appointed.
21. Perform such other duties as may be assigned by the pastor/moderator or the session.

## Guidelines for Session Minutes

Minutes of each session meeting must include:

1. Whether the meeting is a regular or special meeting.
2. The name of the church, the place, date and time of the meeting.
3. The name of the moderator of the meeting.
4. The opening and closing of each meeting with prayer.
5. The roll, listing elders present, elders absent and any who are excused; the clerk, moderator and other staff present or excused; others present and their identity. (Please use first and last names.)
6. The affirmation of a quorum (G-3.0203). The session or the bylaws of the congregation set the quorum for the session. A suggested quorum of the session might be the pastor or other presiding officer and one third of the elders but no fewer than two, except for the reception and dismissing of members, when the quorum could be the moderator and two members of the session. (This reflects the quorum set in the *Book of Order* prior to 2011.) Unless the quorum is lost during the meeting, the Clerk's certification of a quorum at the beginning meets this requirement; if the quorum is lost, the minutes should report that the Clerk advised Session and its Moderator of that fact.
7. The approval of the agenda. (In case of a special meeting, the call to the meeting stating the purpose becomes the agenda.)
8. The approval of the minutes of the previous meeting. (Any corrections of previous meeting minutes may be listed, or the minutes may be considered as a draft until the corrections are made and the minutes are approved.)
9. Clerk's report: may include correspondence, announcements, and report of the serving of the Lord's Supper, in addition to listing of baptisms, marriages, changes in membership rolls.
10. Reports of pastor, other staff, and the treasurer and committee chairpersons should be summarized in the minutes. A carefully selected inclusion makes the minutes a more valuable historical record

of the church. The clerk has wide discretion, but should be sure that the inclusion represents the wishes of the session.

11. All motions and amendments, if any, and whether they passed or failed. (Details of discussion should not be recorded, except when needed to give a sense of the action.) **Please ignore anything you have been told to the effect that failed motions do not need to be recorded; you are to record the disposition of ALL motions.**
12. Be especially careful and diligent in recording all actions taken to hire, compensate, evaluate, discipline, or terminate non-ordained staff. See Appendix A for examples of items to report.
13. When a previous action of the session is referred to, the page on which it is recorded, or the date of the meeting at which it occurred, should be designated.

**When appropriate, include the following:**

14. The administration of the Sacrament of the Lord's Supper must be reported at the next succeeding regular meeting. When the sacrament has been administered to those unable to attend public worship, the name of the minister officiating and the name of the elder or elders assisting should be noted. (This may be part of the clerk's report or the report of the worship committee.)
15. The administration of the Sacrament of Baptism at the next succeeding regular meeting, giving the full name of adults baptized including the maiden name of married women; the record of infants baptized, noting the name of the child, date of birth, and the names of the parents or the one rightly exercising parental responsibility (W-2.3014), and may include the mother's maiden name. (This may be part of the clerk's report, the pastor's report or that of the appropriate committee.)
16. The full name of applicants for church membership (in the case of married women, include maiden name) and the manner of their reception:
  - a. By profession of faith, previously baptized
  - b. By profession of faith and baptism
  - c. By re-affirmation of faith
  - d. By letter of transfer, giving the name of the church from which received

17. The full title of the church to which a certificate of transfer is granted and the full name of the person transferred with the date of transfer.
18. Record the job descriptions for employed personnel, both clergy and non-clergy, as they are approved.
19. Name of elders elected to be commissioners to meetings of the Presbytery, and the exact period for which elected (G-3.0202).
20. Record that commissioner(s) to a Presbytery meeting made a report on that meeting to the session. The report may be summarized.
21. When the session finds it necessary to exercise discipline, the Form of Government and the Rules of Discipline should be carefully studied by a committee of the session and if discipline be administered, the minutes of the session must contain such a record of the proceedings, which will enable the Presbytery to know who was disciplined, why and how.
22. In case of a sale, mortgage, gift or lease of property, the session records must show:
  - a. Name, address and legal description of the property
  - b. Name of buyer/lessee
  - c. Sale price
  - d. Loan amount purpose and terms, including the name of the lender
  - e. Lease terms and liability insurance
  - f. Concurrence of the Presbytery
23. If a report is received, note that in the minutes. If the report contains recommendations for actions, those become main motions of the body and are acted upon.
24. If the session endorses, approves, or otherwise adopts a report, the report becomes the position of the adopting body. The full text of **adopted** reports must be placed in the minutes. They may be added as attachments to the minutes.

**Be sure the following are included each year:**

25. Approval of the annual budget
26. Approval of the distribution of the church's benevolences
27. The annual review with each pastor of the adequacy of compensation
28. The recommendation to be made to the congregation for changes or for no change in the terms of call for each pastor
29. The annual review by the personnel committee (or other responsible body appointed by the session) of the adequacy of compensation of all paid staff
30. Whether new officers have received training and been examined (G-2.0402)
31. The ordination and/or installation of elders and deacons at the next succeeding meeting
32. The recognition of trustees (if any) at the next succeeding meeting
33. That property and liability insurance has been obtained (G-3.0201) (Insert photocopy of the church's certificate of insurance.)
34. An Annual Audit or Review of Financial Records (G-3.0113). (See Appendix E for more information.)

**Annual Report**

At the last meeting of each calendar year or the first meeting of the next calendar year, please include the following in the Clerk's Report:

35. Record changes during the year in the Session, the Board of Deacons and the Trustees through death, resignation, or removal.
36. State the composition of the session with regard to racial ethnic members, women, men and age groups, and how this corresponds to the composition of the congregation. (Photocopying the annual statistical report required by the General Assembly into the session records may fulfill this requirement.)
37. If the congregation has a Board of Deacons and/or Trustees, report in the minutes where their records are kept.

38. Include an Annual Narrative Report. (Moderator's annual report or periodic reports to the session of ongoing church life will satisfy this request.)
39. The Annual Report produced by the church may be inserted in the minutes, but may also be introduced by reference. If the latter, care should be taken that the Annual Report is preserved as part of the permanent records of the church.

### **Keeping Minutes Safe**

40. Electronic storage, in place of paper storage, **is not acceptable** because there is no way to attest by signature to the accuracy and correctness of the documents and due to long term storage and accessibility problems.
41. Because official church records are to be held in perpetuity, the only ways that are acceptable for keeping these records are to have them on paper, printed with a laser printer or copier on acid-free paper, or on microfilm.
42. Minutes may be kept in bound books or in loose-leaf binders. When those in loose-leaf binders are to be stored, store the pages in archival boxes.
43. It is important that pages be numbered consecutively, both sides of the page, including any attachments. It is especially important for loose pages or pages kept in a loose-leaf binder to be numbered. If a page or section of a page is intentionally blank, mark it with a stamp that says "Intentionally Left Blank" or mark with a large X.
44. Acceptable numbering schemes are:
  - a. A one-up numbering system beginning at as early a time as possible.
  - b. A one-up numbering system that starts over at the beginning of each year. In this case, consider some system, such as a note in a header or footer, which keeps track of the year.
  - c. Pre-numbered pages in a bound book.
45. From the *Book of Order*:

Each council shall keep a full and accurate record of its proceedings. Minutes and all other official records of councils are the property in perpetuity of said councils or their legal successors. When a council ceases to exist, its records shall

become the property of the next higher council within whose bounds the lower council was prior to its cessation. The clerk of each council shall make recommendation to that body for the permanent safekeeping of the body's records with the Presbyterian Historical Society or in a temperature and humidity controlled environment of a seminary of the Presbyterian Church (U.S.A.). [Book of Order G-3.0107]

46. An OGA comment on a proposed (and defeated) amendment in 2003 that would allow digital records:

Currently, there is no archivally permanent electronic format. Even if the medium (tape, disk, CD-ROM, etc.) survives for longer than a few years, there is no guarantee that the hardware and/or software to read it will have survived as well.

Only acid-free paper and properly processed microfilm are considered permanent at this time.

While any records that are identified in the Book of Order as permanent, including session minutes and registers, can be created on a computer, the record copy must be printed out on acid-free paper, stored securely, and can eventually be transferred to microfilm. Records copies of minutes should be printed out and signed at the time of their creation, and, at a minimum, registers should be printed out annually.

47. The Presbyterian Historical Society will preserve records for congregations. See their web site <http://www.history.pcusa.org/> or call them for information. Their address is 425 Lombard St., Philadelphia, PA 19147. Telephone: 215-627-1852, Fax: 215-627-0509. Hours are Monday through Friday 8:30 a.m. to 4:30 p.m.

## Nuts & Bolts of Session Minutes

The method of recording session minutes is somewhat dependent on local custom or circumstances. The following is the suggested procedure used by the majority of churches:

1. Clerk takes notes for the minutes at meeting;
2. Clerk writes the minutes and types or arranges for them to be typed.
3. Clerk makes copies and distributes before the next meeting;
4. At the next meeting, the minutes are either approved as correct or corrected.
5. Correct previously approved minutes by noting the corrections in the current meeting minutes and noting them in ink in the previously approved minutes.
6. Clerk types or photocopies approved minutes in the session permanent minute book.
7. If using a computer for minutes in the permanent minute book, a laser printer and archival quality paper must be used.
8. Do not use erasures, whiteout, strikethroughs or footnotes. Do not insert in the records separate sheets of paper with written or printed matter on them or leave sticky notes in the minutes, as this could compromise the integrity of the acid-free paper.
9. The records of each session meeting are to be duly attested (signed in ink) by the clerk. The records of congregational meetings are to be attested by the clerk AND the moderator.
10. The minutes of congregational meetings, the annual report of the church treasurer or treasurers, and the annual statistical report required by the General Assembly are to be included. These are to be typed or photocopied into the permanent record book and not included as inserts.

## Congregational Meetings

Minutes of all congregational meetings shall be included in the session record book along with session minutes in one chronological order.

Minutes of these meetings shall include:

1. Indication of whether the meeting is “regular” or “special.”
2. If it is a “special meeting,” the minutes shall include the call to the meeting. The business to be transacted is limited to those items listed in the call for the meeting. [G-1.0501]
3. Name of the church.
4. Date, time, and place of the meeting.
5. Name of the moderator or presiding officer.
6. Presence of a quorum. Indicate the number of active members needed to satisfy the quorum requirement [G-1.0501], and record the actual number of active members present. (Congregations shall provide by rule the quorum necessary to conduct business. The quorum must be specified in the bylaws of the congregation.)
7. Opening and closing of the meeting with prayer.
8. A record of all actions, whether adopted or lost.
9. At a congregational meeting for the purpose of calling a pastor, in order for each person to be able to vote his/her conscience, a written ballot should be used.
10. Action by the congregation on each pastor’s terms of call.
11. Minutes of the meeting of the congregation or corporation at which the annual financial reports are made should indicate, at least:
  - a. Report of a full financial review of the financial records (G-G-3.0205) (See Appendix E.)
  - b. A complete, itemized report of income and expenditures for the year
  - c. Provide the complete, itemized proposed budget adopted by the session for the coming year
  - d. Details of the status of loans from the General Assembly, Synod, or Presbytery, if any are outstanding
12. If the congregation does not approve the minutes before adjournment, session may approve the minutes at its next scheduled meeting. *[Note: This provision was in the Book of Order prior to 2011. To continue*

*this practice, this provision should be included in the church's bylaws.]*

13. Both the moderator and the clerk must sign (in ink) congregational meeting minutes.

## Session Meetings

1. Session meetings are not to be regarded as open meetings, and attendance is generally restricted to the members and any guests (such as staff) whom the session invites. Members of the congregation wishing to attend are to secure an invitation from the moderator or the clerk. The session should convene without those who asked to be invited; the moderator or clerk explains the reason for the request to be invited, and the session affirms the invitation – either by general consent or by a motion seconded and passed – or does not affirm it. It is the session's meeting, and only the Session can render it open to invitees.
2. A session may, if it wishes, adopt an "open meeting policy" which in effect invites any or all members of the congregation to all meetings unless a decision is made to close a particular meeting or part of a meeting.
3. The pastor of the church is the moderator; where there are co-pastors, they alternate moderating the session meeting. When the pulpit is vacant, either the interim pastor or another pastor appointed by the presbytery is the moderator. A session cannot meet in the absence of the pastor/moderator except:
  - a. If the pastor thinks it advisable, he/she with the session's concurrence invites another minister of the presbytery to moderate.
  - b. If the session is directed to meet by presbytery, the clerk and/or the moderator consult with representatives of the presbytery; depending on circumstances, it may be advisable for a representative of the presbytery to moderate the meeting.

## Electronic Meetings

Sometimes matters that need immediate action arise when calling a session meeting is impractical. For those cases, the session may adopt a policy for electronic meetings. A policy should include provisions to reach all members, for two or more members to object and thus cancel the electronic meeting, and for any decisions to be included in the minutes of the next regular session meeting. If the session adopts such a policy, then the policy should be recorded in the minutes of the session meeting and in a Manual of Administrative Operations.

A sample policy (thanks to Catonsville Presbyterian Church):

### **SESSION POLICY ON ELECTRONIC MEETINGS**

(Adopted (date))

In those cases where routine matters must be presented to the members of Session for action before its next scheduled meeting, then Session may conduct this routine business by conference call or electronic means which bring members together, or by polling, either by telephone or other electronic means. The requirements for such meetings are:

- A reasonable attempt shall be made to reach all members.
- There shall be a quorum of members responding.
- In the event that any two members object to the electronic or telephone procedure, then in that case the decision shall either be postponed until the next regular meeting or a special meeting must be convened.
- Any action resulting from a telephone or electronic meeting shall be confirmed at the next scheduled meeting, so that it can be included in the minutes of the Session.

## Rolls and Registers

### Rolls

**The Rolls of the church should contain information about those who are members of the local church.** It is the responsibility of the Clerk of Session to maintain, or to oversee the maintenance of, the Rolls as required in G-3.0204a.

Names of members shall be placed upon, removed, or deleted from the rolls of the church only by order of the Session (G-3.0204a)

#### **G-3.0304a:**

There shall be rolls of baptized, active, and affiliate members in accordance with G-1.0401, G-1.0402 and G- 1.0403. The session shall delete names from the roll of the congregation upon the member's death, admission to membership in another congregation or presbytery, or renunciation of jurisdiction. The session may delete names from the roll of the congregation when a member so requests, or has moved or otherwise ceased to participate actively in the work and worship of the congregation for a period of two years. The session shall seek to restore members to active participation and shall provide written notice before deleting names due to member inactivity.

#### **Active Members**

An **Active Member** is one who has made a profession of faith in Christ, has been baptized, has been received into membership of the church, has voluntarily submitted to the government of the particular church, and participates in the church's work and worship.

Record name, date received into membership, and method of reception. Record date of removal from the particular role and whether by death, transfer to another church, (placed on inactive roll, if one is maintained), or removed.

#### **Baptized Members**

A **Baptized Member** is one who has received the Sacrament of Baptism but has not made a profession of faith in Jesus Christ as Lord and Savior. This includes adults who were baptized in that particular church who have not made a profession of faith and baptized children of active members or pastors related to the particular church. The 217<sup>th</sup> General Assembly issued a "clarification of meaning" to this definition to

include children of active members who have been baptized in a Christian church (Trinity baptism) but who have not yet been received as Active Members (confirmed).

Record the name, date of baptism (if known), church where Sacrament of Baptism occurred. Names should be removed from this roll when a profession of faith is made, or when the person moves from the community.

### **Affiliate Members**

An **Affiliate Member** is one who is an active member of another church of this denomination or of another denomination or Christian body, who has temporarily moved from the community where the church of active membership is located. Affiliate membership must be renewed every two years. An example of an affiliate member would be a college student living in your community while attending school.

Record name, date of affiliation, name of home church, date of renewal, date of return to home church.

(Note from the Stated Clerk: You may notice that there is no **inactive roll**, as there has been in Books of Order prior to 2011. The session may choose to maintain an inactive roll, however, and, if it does, then the rules for keeping an individual on that roll or for deleting such an individual should be determined by the session, recorded in the minutes of the session, and kept in a Manual of Administrative Operations. The former definition is this: *An inactive member of a particular church is one who does not participate in the church's work and worship. An inactive member is entitled to all the rights and privileges of an active member except the right to speak in the meetings of the congregation and to vote and hold office.*)

### **Roll Books**

Roll books usually provide double pages for a chronological roll by date of reception into membership with columns for name, how received, name of church from which member transferred if that is the manner of reception, date of deletion from the active roll and reason—by death, inactivity, or transfer, in which case the name of the church to which the member is transferring is listed.

Pages may be provided in the same binder for an alphabetical listing of members along with the membership number that is assigned in the

chronological roll. Many find it easier to keep the alphabetical listing electronically, printing the list, along with the member number, at least annually.

Pages also may be provided for Baptized, Affiliate and Inactive member rolls in the same binder.

Pages containing columns for the information requested may be obtained through Cokesbury (800) 672-1789.

## **Registers**

### **G-3.0204b:**

There shall be registers of baptisms authorized by the session, of ruling elders and deacons, of installed pastors with dates of service, and such other registers as the session may deem necessary.

**Registers are historical records and need to be carefully maintained.** It is the responsibility of the clerk of session to maintain or oversee the maintenance of registers as required in G-3.0204a.

All registers should be kept in the same binder, or in the binder with the rolls. The binder used may be a loose-leaf notebook or a bound book. Pages for each register listed may be obtained through Cokesbury Book Stores (800) 672-1789. You may obtain a sample page for each register and then create your own register pages.

The session shall maintain the following registers:

### **Baptisms**

**Register of Infant and Adult Baptisms** shall include name, parents' names, and date of birth of those being baptized.

### **Elders**

**Register of Elders** shall include each elder's name, the name of the church in which each was ordained, date of ordination, terms of active service, and record of removals.

### **Deacons**

**Register of Deacons** shall include each deacon's name, the name of the church in which each was ordained, date of ordination, terms of active service, and record of removals.

## **Pastors**

**Register of Pastors** shall include the names of pastors, co-pastors, associate pastors, assistant pastors, interim pastors, stated supplies, and parish associates serving the church, with dates of service.

## **Marriages (Optional)**

Prior to 2011, sessions were also required to maintain a register of marriages. If you wish to continue maintaining this register, here is the list of those marriages that are to be recorded.

**Register of Marriages** shall include marriages of members of the church, all marriages conducted by the ministerial staff of the church, and all marriages performed on church property.

## **Paper vs. Electronic Rolls**

For many of the reasons that appropriate paper records of Session minutes are required, a chronological paper record of rolls and registers shall also be kept. Electronic records are useful for counting the various categories of members and for keeping an alphabetical list.

Paper rolls are chronological and should have the full name, date joined, and how joined (letter of transfer, profession, reaffirmation) as a minimum. If by letter, record the name of the church. It should record the date of removal from the roll and the reason. A one-up roll book number makes it possible to cross-reference alphabetical lists with chronological lists.

These are the minimum items for an electronic roll, too. We suggest adding to an electronic roll the information that the Annual Statistical Report asks for, such as gender, racial/ethnic identity, disability (if applicable), and date of birth (for calculating ages).

Many old roll books contain a section for adding member names in an alphabetical order, at least by the first letter of the surname. That function may best be done via an electronic roll. Print an alphabetical list, with roll book number, at least annually, and keep this alphabetical list with the paper Roll Book.

## Annual Review of Session Records

The Stated Clerk of the Presbytery of Baltimore holds a series of meetings each spring for two purposes:

1. To provide training for clerks of session, both experienced and new
2. To review the minutes, rolls, and registers of each particular church in the presbytery.

The meetings are held in different parts of the presbytery to shorten travel distances, but clerks are welcome to come to any of the meetings. The meetings typically last two hours.

At the meeting clerks will have an opportunity to read the minutes kept by other clerks and to ask questions of and share experiences with other clerks and the Stated Clerk.

We request that the clerk or moderator fill out the Checklist for the Review of Session Records (found in Appendix C and on the Presbytery website, under “Resources”, then “Tools for Clerks”) to facilitate the reading of the minutes of session and congregational meetings.

References are from the *2013-2015 Book of Order* and the *Manual of the Presbytery of Baltimore*:

- Each session should keep a full and accurate record of its proceedings. [G-3.0107]
- Each council shall review annually or biennially, based on the body’s meeting frequency, the proceedings and actions of all entities related to the body, all officers able to act on behalf of the body, and lower councils within its jurisdiction. In reviewing the procedures of the lower council, the higher body shall determine whether the proceedings have been correctly recorded, have been in accordance with this Constitution, have been prudent and equitable, and have been faithful to the mission of the whole church. It shall also determine whether lawful injunctions of a higher body have been obeyed. [G-3.0108a]

Upon notification each session will submit its minutes, rolls and registers to the Stated Clerk for annual review. Minutes presented for review will include all those approved by the session and will include all those since the minutes were last reviewed. The *Manual of the Presbytery of Baltimore*, Section 26, Sessions, says “Minutes. Clerks of Session will prepare minutes of all session meetings in accordance with the *Presbytery Manual for Clerks and Moderators*, in addition to those rules contained in the *Book of Order*.”

## Annual Reports

### *Introduction*

Each year the presbytery asks each church to fill out and return annual statistical reporting forms for the previous calendar year. One person should be responsible for seeing that the reports are completed and filed; often that person is the clerk. Emails and/or letters from the presbytery provide very helpful information. These forms are typically filled in online, but the presbytery office will provide help for those churches that are unable to do this online.

There are three reports, presented together:

1. Annual Statistical Report – deadline is the first Friday in the period of February 1-8
2. Clerk's Annual Report – deadline is March 20
3. Church Officers List – no deadline, but requested in January

### *Annual Statistical Report:*

This report, to be filed online by a specified date, **ordinarily the first Friday in February**, provides information from each church. These vary somewhat from year to year, and the directions given on-line are very good, so we will not repeat them here. Information may be entered online in as many sessions as you like for a period of time prior to the deadline date or until the "Submit" button is pressed.

- Entering this report online requires that you have your church's user name, that is, its PIN, a five-digit number that identifies the church to the PCUSA, and a password. Both are available from the Stated Clerk and the Presbytery office.
- The report form is available in a downloadable workbook that provides a clear explanation for each item; filling out the form on paper provides a draft from which figures can be transferred to the online form. Remember that this information can be recorded online over a period of time until the deadline set by the presbytery. A link to the workbook and to the site for entering data are available on the Presbytery's website, under Resources, on the page Tools for Clerks of Session.
- Both the total active membership and the financial data for the past ten years are available on the General Assembly's website for all churches

that complete the report. Go to [www.pcusa.org/tenyeartrends](http://www.pcusa.org/tenyeartrends) and enter your church's user name, shown on the front of the instructions, to access this information.

- You do not need to hit the "Submit" button. If you do not, you will be able to go back and edit any section, at least until the deadline. The Stated Clerk has access to these reports for another two weeks, so any last minute changes should be directed to the Stated Clerk.

### ***Clerk's Annual Questionnaire (CAQ):***

This report is submitted on-line to a different web address, has a different deadline date (usually mid-March) and each year asks for different information. It must be completed in one online session, contrary to the SOC report. The CAQ is the only means national entities of the church have to gather information about specific programs and activities in all congregations of the PCUSA. The information gathered is very important to the offices asking questions on the CAQ and can be useful to others as well. You will most likely need to confer with the pastor or other church staff members or committees to fill out this form, so making paper copies and sharing them with those most likely to be knowledgeable about the various sections will be very helpful.

### ***Officer Lists:***

The presbytery requests this information, along with a listing of current chairpersons, to be forwarded by mail or by e-mail. An updated list should also be sent during the year if election of officers is held later than at a January or February Annual meeting.

***Now celebrate, because you have completed this for another year!***

## The Statistics Spreadsheet

The counts for the Annual Statistical Report are easier to obtain if you keep your membership records in a spreadsheet. The spreadsheet should have columns for:

1. Status – Active, Affiliate, Inactive, Former member (ACT, AFF, INA, with Former members designated by XDEC for deceased members, and XFR for those removed for any other reason)
2. Roll Book Number – if you have those. This is a one-up number beginning with the first members of this congregation.
3. Date joined
4. How joined – Transfer (or Certificate), Profession of Faith, Reaffirmation of Faith (possible abbreviations are T, P, F)
5. Last Name
6. First Name
7. Middle Name or Maiden Name
8. Gender
9. Race – Asian, African, African-American, Black, Hispanic, Middle Eastern, Native American, White, and Other are the designations used now. Possible abbreviations are As, Afr, AA, B, H, ME, NA, W, O.
10. Year or date of birth, with a separate column for age. Age can be computed using this formula in Excel: =YEAR(\$T\$1)-YEAR(current cell), where \$T\$1 refers to the column and cell where the current year is put (in this example, cell T1).
11. A head of household indicator, to help count the number of potential giving units.
12. A column to identify disabilities (hearing, sight, mobility, other).

Once you have all of this data, then sorting by the item you want to count makes it easy to determine the counts for the various sub groups that the Annual Statistical Report asks for. For example, to count the number of women members of each race, sort on gender, then on race.

## Appendix A – Recording Actions in Session Minutes

1. Be especially careful and diligent in recording all actions taken to hire, compensate, evaluate, discipline, or terminate non-ordained staff.
  - When the Session hires a non-ordained member of the staff, enter into the minutes of the meeting the full and complete employment agreement or contract. Upon the annual review of the person's compensation, record any changes as follows: "On the recommendation of the Personnel Committee, the hourly rate of pay for the Custodian \_\_\_\_\_ was increased from \$10 to \$12.50, effective January 1, 2010."
  - Record every evaluation of non-ordained staff that the Personnel Committee reports to Session. In every instance where the evaluation indicates less than satisfactory performance, record any remedial course of action that the Personnel Committee proposes.
  - In the event that termination of an employee is recommended, record the Personnel Committee's report that the relevant provisions of the personnel policies have been followed. Be clear in the record that the Session, acting in a legal meeting with a quorum present, voted to terminate the employee. The record must not indicate that any individual, or any entity other than the full Session, took this action. Record any severance agreement or terms in full.
2. Record actions taken which affect the member status of any member following one of these examples:
  - Session acted to delete the names of these Active members from the church's rolls (G-3.0204a): Henri Blank, Phoebe Blank, and William Smith.
  - Upon their request, Session deleted these names (G-3.0204a): Warren Hunter, Ruth Hunter, and Kenneth Clinton.
  - Session granted a letter of transfer to Christopher and Judith Boatwright, who are joining City United Methodist Church: the request for the letter came from the church's pastor. (G-3.0204a).
3. Do NOT record the names of those making/seconding motions. Unless asked to do so, do not record the numerical outcome of votes taken, or the names of those who voted in opposition.
4. The minutes of all Session and congregational meetings, and all other official records, including the records provided to Session by the Deacons and/or the Trustees, if any, are the property of the Session. The Clerk is responsible for their safekeeping. A request from a member of the congregation for a copy of the minutes, or an excerpt of part of a meeting, is reported to the Session at its next meeting, and the Clerk is to follow the Session's decision.

## Appendix B – Congregational Meetings and Minutes

1. An annual meeting of the congregation is required (G-1.0501). Special meetings must/shall be called by the Session when it deems it necessary; when requested in writing by one-fourth of the members on the active role; and when Session is directed by presbytery to call a meeting.
2. The nature of the business to be conducted governs the notice of meeting requirement. Ordinarily, two Sundays of notice, which may be written in the bulletin or made verbally or both suffice – and the meeting can be held on the second Sunday. But when the purpose is to elect a pastor nominating committee, or to hear its report and vote on its candidate, the notice requirement is at least ten (10) days including two Sundays.
3. Meetings of the congregation related to the pastor nominating committee are special meetings, and there are to be no other agenda items. Other special meetings may be called to consider matters related to the powers and responsibilities of the congregation (G-1.0503), and will have limited agendas.
4. A congregational petition for the Session to call a congregational meeting, in addition to the requirement that it must be signed by one-fourth of the members on the active roll, must be called to consider one of the matters outlined in G-1.0503. If it is called to consider any matter outside the scope of this provision of the Form of Government, Session is to decline the petition, with full explanation.
5. If a quorum is not present as the meeting begins, notify the Moderator; the members present may recess and seek a quorum, or the Moderator may adjourn the meeting. If the meeting proceeds in the absence of a quorum, absolutely no votes are to be taken.

4. On the last page of this appendix is a sample that could be put on a post card to be returned to the church.

We hope that you find these sample letters helpful as you seek to reach out to those who are potential candidates for being moved to your Inactive Roll (if you have one) or being removed from your Active Member Roll.

If, in fact, you have become members of another church, please advise us of the name of that church, so that we might note it in our Church Register.

If I have not heard from you by December 31 (concerning your wishes), your name(s) will be placed on our Inactive Roll. At a later date, should you desire to be restored to the Active Roll or transfer your membership to another church, we will be delighted to facilitate your active membership.

Please know that you will continue to be in our thoughts and prayers, and we particularly wish you a blessed Christmas and a joy-filled New Year.

Dear \_\_\_\_\_,

The Session of [name of your] Presbyterian Church is in the process of fulfilling its responsibilities as defined in the *Book Of Order*, Paragraph G-3.0201c, which includes “reviewing the roll of members at least annually and counseling with those who have neglected the responsibilities of membership.” We have missed you during the past year and wonder if you have become involved in another community of faith. If so, we can transfer your membership to that church.

It may be possible, however, that you have not become active in another church. The Session would like to encourage you to return to active participation in the ministry of our church, or to seek the fellowship, support, and spiritual nurture of another community of faith. If there is something I, or another member of Session, or our Pastor can do to facilitate your active participation in a Christian ministry, whether at [name of church] or another church, please do not hesitate to let us know. You can reach me by e-mail \_\_\_\_\_ or at home \_\_\_\_\_. The Pastor may be reached at the church office.

Please let me hear from you, either by e-mail, phone call or returning the bottom portion of this letter, marked appropriately. At a later date, should you desire to be restored to the Active Roll, or to transfer your membership to another church, we will be delighted to see that your request is honored.

Please know that you and your family will continue to be in our thoughts and prayers, and we pray that you and yours have a blessed Christmas holiday season and joy-filled new Year.

**CHURCH LETTERHEAD**

Inside Address

Dear \_\_\_\_\_;

You have been missed in worship here at \_\_\_\_\_!

We are a large church and there are plenty of folks who are present, but when you are not here for a long time, your absence is noticed! We made a commitment to support you in your spiritual journey and would like to continue doing so. We also value the contributions you have made in the past to the life of this church. Is it possible for us to renew that mutual commitment and continue to strengthen each other?

\_\_\_\_\_ Church is a community of Disciples of Christ encouraging one another to:

- Honor and connect with God (Worship)
- Care for each other (Belonging)
- Participate in God's ministry (Service)
- Become more like Jesus (Spiritual Growth)
- Bless the world as ambassadors of God (Mission)

Your gifts are much needed as well, and I hope you will consider sharing them with us once again. If you have any questions or concerns one of the pastors or I might be able to address with you that would enable you to return to worship, please feel free to call or set up an appointment.

If you have decided to withdraw from this community of faith, please advise me of that as well. According to the Presbyterian Book of Order, when a member has not "...participated in the work and worship of the church for a period of one year..." then the Session is charged with the responsibility of inquiring as to the cause of the member's nonparticipation and then placing them on an inactive roll if they deem necessary. We would like to hear from you as to your request to remain either an active member or be moved to an inactive status.

If you prefer that your membership remain here, please advise us by December 30, 20\_\_.

Please feel free to call me at \_\_\_\_\_. I look forward to speaking with you or hearing from you soon.

In God's presence,

[Your name]

Clerk of Session (or this could be from a Pastor or another elder)

## Appendix E – Parliamentary Procedures

### Purpose

The purpose of parliamentary procedures is three-fold:

- To facilitate the flow of business
- To allow the majority to accomplish its will
- To protect the rights of minority views and opinions

### Book of Order G-3.0105

Meetings shall be conducted in accordance with the most recent edition of *Robert's Rules of Order Newly Revised*, except when it is in contradiction to this Constitution. Councils may also make use of processes of discernment in their deliberations prior to a vote as agreed upon by the body.

### Role of the Clerk

The moderator rules on points of procedure, not the clerk. The role of the clerk, therefore, is to assist the moderator and to advise and provide counsel, usually upon request. However, the more knowledgeable a clerk is of parliamentary procedures, the more time will be saved and procedural logjams will be prevented.

### Size of Governing Body

The size of the body will determine the degree of formal parliamentary procedures. The smaller the size of the session or congregation, the more informal it will be; the larger the body is, the more formal it will become and more exact in its procedures.

### *Some Basic Parliamentary Procedures*

#### A. Motions

1. I move that...or I recommend that...
2. The maker of a motion has the privilege of the floor immediately following the seconding of the motion (if a second is required).
3. During debate, speakers should indicate at the beginning whether they are speaking “for” or “against” the motion.

#### B. Items Not Needing a Second

1. Report from a committee
2. Nominations
3. A question of privilege
4. A call for division in voting
5. Moving of the previous question or calling for the question

### C. Amendments

1. Amend by: insert or add; strike out (consecutive words); substitute (normally applied to a whole paragraph or resolution).
2. A “substitute motion” is an amendment.
3. There may be only one amendment to the main motion at one time (known as a first degree amendment).
4. There may be only one amendment to the (first degree) amendment pending at any one time (known as a second degree amendment.)
5. An amendment is not in order if it is the same as voting in the negative.
6. Once an amendment has been made, discussion must be confined to the amendment until a vote is taken on that particular amendment.
7. Once a motion has been amended, the motion as amended must then be voted on.
8. *There is no provision in Robert's Rules for a “**Friendly Amendment.**” The only way a motion can be modified without a vote, after it has been stated by the Chair, is with the unanimous consent of the members present.*

### D. The Substitute Motion

The substitute motion is a form of amendment applied when the desire is to amend a motion in several different, non-consecutive places. It also is used with the text to be amended is longer than a paragraph. The procedure to follow is:

1. The Moderator calls for amendments to the main motion (sometimes called “perfecting the motion”). The amendments may be debated. Nothing else is in order. If there are no amendments, the Moderator may declare the motion perfected.
2. The Moderator calls for amendments to the substitute motion. The amendments may be debated. Nothing else is in order. If there are no amendments, the Moderator may declare the motion perfected.
3. The Moderator puts the question: “Shall the substitute motion be substituted for the main motion?” At this time, the merits of the main motion and the substitute motion may be debated and no further amendments are in order.
4. Moderator takes a vote on the question in #3.
  - a. If the question is approved, the main motion disappears and the substitute motion is before the assembly for debate and vote. Substantive amendment is out of order. Editorial amendment is in order.
  - b. If the question is defeated, the substitute motion disappears and the main motion is before the assembly for debate and vote. The main motion may continue to be amended.

### E. Stop Debate and Order an Immediate Vote

1. Move or call for the previous question
2. Not debatable
3. Vote must be taken to determine whether the body is ready to stop debate
4. 2/3 vote required to stop debate

**F. Tie Vote**

1. General
  - a. Motion is lost
  - b. A member may request a second vote
2. Congregational Meetings
  - a. The moderator shall put the question a second time
  - b. If there is a tie vote again, the motion is lost.

**G. Desiring a Count**

1. Following a voice vote or show of hands, any member may call for a division of the house. Vote will be taken by rising - if agreed to by a majority.
2. Actual count then must be taken

**H. Routine Business**

1. Motion without controversy or question may be adopted by common consent.
  - a. The motion is made.
  - b. The Moderator asks, "Are there any questions?"
  - c. The Moderator asks, "Are there any objections?"
  - d. The Moderator states, "So ordered."
2. If there are any objections or debate at all, the regular voting methods must be used.

**I. Question of Privilege**

1. May interrupt speaker on floor
2. May interrupt motion or debate on a motion
3. Object - to get the attention of the moderator at once
  - a. To ask a question
  - b. To attend to some matter of business that cannot wait

## Appendix F – A Full Financial Review Defined

The new “Form of Government” of the Presbyterian Church requires the following:

*A full financial review of all financial books and records shall be conducted every year by a public accountant or committee of members versed in accounting procedures. Reviewers should not be related to the treasurer(s). Terminology in this section is meant to provide general guidance and is not intended to require or not require specific audit procedures or practices as understood within the professional accounting community. (G-3.0113)*

Therefore, a financial review is required for every church organization or group which has a treasury, and which receives and disburses funds. Groups within the local church whose financial transactions must be reviewed might include the General Operating Fund, Benevolence Fund, Memorial Fund, Wills and Endowments, Board of Deacons, Board of Trustees, Building/Maintenance Fund, Choir, Youth, Church School, Presbyterian Women etc. This review benefits the treasurers, the contributors and those who benefit from expenditures ... giving assurance that donations are used as the donor intended, for the benefit of the specific group, and as a witness to the Lordship of Christ.

The persons making the full financial review do not need to be C.P.A.'s, but there should be some understanding of accounting procedures. Look for persons who have been Trustees or who have some experience in business accounting. Remember that those doing the financial review must not be related to the Treasurer(s).

To be available for review are financial ledgers, records of all forms of income, deposit slips and bank account records, withdrawal slips and canceled checks, authorization of payments, copies of invoices and expense vouchers, and a balance sheet. Financial records from relatively small groups would require less validation; but it is important that each report a *Beginning Balance, Income, Expenses, and a Closing Balance*.

Unless a congregation and its income/expenses are very large, it is not necessary to have a professional audit made. A full financial review implies that the financial review committee has checked through the records, has spot-checked those records and (hopefully) has approved them, and (if helpful) has made suggestions for improvement to the Treasurer or Finance Committee. **The report of the financial review committee must be approved by the Session, Trustees or whichever body has created the committee, and this approval must be recorded in the official minutes of that body.**

This report may be a simple statement such as: *"We have reviewed the financial statements of the various Funds of \_\_\_\_\_ Church and affiliated organizations for the year ending December 31, \_\_\_\_\_, as set forth in the \_\_\_\_\_ Annual Report of \_\_\_\_\_ Church. During the course of our review, nothing came to our attention that would require modification of these financial statements."*

## Appendix G – Incorporation And Bylaws

The *Book of Order* (G-4.0101) directs that each church will be incorporated. Incorporation protects individual members of the church in case the church is sued. It also provides certain legal protection for officers of the church as they carry out their duties on behalf of the corporate entity.

**Each clerk of the session should be absolutely certain that the church is incorporated and that the corporation status is kept active.** This can easily be determined by a call to the Maryland Stated Department of Assessments and Taxation (SDAT). It is important to be certain.

**Each corporation is required to name a Resident Agent.** This is done at the time of incorporation and may be changed as needed. This person serves as the legal “address” of the corporation, to which legal papers are served. The Resident Agent has no responsibility other than insuring that any mail or papers received for the corporation are turned over to the appropriate persons – the Clerk of Session or the President of the Corporation (or the Board of Trustees) or both. Each clerk of session should check the corporate records of the church to determine who the Resident Agent is and if the person is still a member of the church and living at the address of record. If not, it is important that a new Resident Agent be named.

Samples of all documents may be found on the Baltimore Presbytery website, on the PCUSA web site (pcusa.org) or on the website for the Maryland Department of Assessments and Taxation. Because website addresses can change, on the Presbytery website, look for Resources, then Trustees. Look for the Maryland Department of Assessments and Taxation using your favorite search engine and then look for the menu item for “Forms and Applications.” On the PCUSA web site, use the provided search capability and search for “Articles of Incorporation” or “Corporate Bylaws”.

A sample of the necessary document to be filed with SDAT to change the Resident Agent of the Corporation and instructions can be found at [http://www.dat.state.md.us/sdatweb/ch\\_addr.PDF](http://www.dat.state.md.us/sdatweb/ch_addr.PDF).

Sample bylaws and articles of incorporation suitable for the State of Maryland may be found on the Baltimore Presbytery website at <http://www.baltimorepresbytery.org/index.php/resources/tools-for-trustees>

Instructions for Articles of Incorporation for the State of Maryland and a generic sample may be found at [http://www.dat.state.md.us/sdatweb/rel\\_form.pdf](http://www.dat.state.md.us/sdatweb/rel_form.pdf)
