## Enduring Witness Fund Thriving Congregations Grants Information

The Presbytery of Baltimore is privileged to receive funds from congregations whose ministries have closed either through the sale of church property or other situations whereby the Presbytery of Baltimore receives assets. The legacy of the faithful members of these congregations continues through the life and ministry of remaining congregations in the Presbytery.

Many churches in our Presbytery are seeking to transform themselves through the development of viable and vibrant ministries, yet some lack the current leadership or membership capacity to fully realize their goals. The Commission on Thriving Congregations is aware of the growing number of congregations where assessment, planning and grant assistance may make the difference between continued ministry and closing.

**This application will be used for congregations applying for grants administered by the Commission on Thriving Congregations. The types of grants are:**

1. **Board of Pensions Grant** - Assistance for pension dues to supplement part-time pastoral leadership **(up to 3 years MAXIMUM)**
2. **Program Grant** - Assistance for Congregational transformation and intentional evangelism through programmatic initiatives **(up to \$35,000.00/year)**
3. **Capital Grant \*** - Assistance for capital building costs/repairs related to a programmatic initiative **(up to \$35,000.00/year)**  
*\*CAPITAL GRANTS are only available for existing Programs/Projects*
4. **SLD Coaching Grant** - Assistance for Clergy Coaching for (1) any clergy entering our presbytery to take a new call or for (2) clergy who are pastoring churches that have completed an assessment process and are implementing a new vision for their congregation **(up to \$1,500/year to be distributed at the discretion of the POB SLD Liaison)**

**THE MAXIMUM AVAILABLE FUNDS FOR ALL THRIVING  
CONGREGATION GRANTS IS \$100,000 PER YEAR**

Upon approval of the **Board of Pensions Grant**, the recipient shall receive a check each year for three years (if necessary) payable to the Board of Pensions for one year of dues. The recipient is responsible for submitting the check and relevant information to the Board of Pensions.

Upon approval of the **Program Grant** or **Capital Grant**, the recipient shall receive one half of the grant amount at the beginning of the grant period. After receipt of a six-month status report, the second half of the grant will be released. This report should indicate how the project/initiative is meeting its stated goals and provide a financial update.

Upon approval of the **SLD Coaching Grant**, the POB SLD Liaison shall receive the full amount of the grant in a “lockbox” to be distributed at the discretion of the POB SLD Liaison using a **POB Check Request Form**

All Projects/Programs/Coaching/Pensions must begin within three (3) months of receipt of the grant. If there are reasons funds cannot be spent wisely by the end of the year in which they were received, please notify the Commission on Thriving Congregations.

A final report evaluating the use of funds is required one year after award. Congregations may not receive additional funding until the report is submitted.

**\*\*\* ALL UNSPENT GRANT FUNDS MUST BE RETURNED TO THE PRESBYTERY OF BALTIMORE \*\*\***
