

Dear Prospective Inquirer,

We are happy that you are sensing a call to the ministry of word and sacrament in the PCUSA. We look forward to accompanying you on this journey of discernment and preparation. Our prayers are already with you.

As with any professional credentialing process, there are many steps along the way between being endorsed by your church session and being certified to receive a call. To better understand the process, we ask you to please read two documents:

- The CPM Policies and Procedures Manual
- The PCUSA CPM Advisory Handbook

The two manuals will give you an excellent overview of the process and the important requirements of each phase. We will, of course, be eager to answer any questions that may arise.

Once you have completed reading these two manuals, please sign below and return this form to the Stated Clerk of the Presbytery at mgaut@baltimorepresbytery.org

Blessings for the journey,

The Commission on Preparation for Ministry
